RESPONSE

DEAR FRIENDS,

On behalf of the board and staff of the Pasadena Educational Foundation, we are pleased to present this Annual Report to the community for the 2019-2020 fiscal year.

The theme of this year's report is Response, which is certainly not the theme we had originally envisioned. But COVID

19 changed all our lives, and it had an especially profound impact on our community's students and teachers. For almost fifty years, the Pasadena Educational Foundation has responded to the needs of the PUSD community. This health crisis presented new challenges we have never before faced.

We are proud of the many accomplishments of the Pasadena Educational Foundation, and we know that our ability to pivot and respond immediately to our students' needs is made possible by the generosity of supporters like you and those listed on the following pages.

In these challenging times, your support of the Pasadena Educational Foundation is more important than ever.

In addition to contributions directly received by the Foundation from the private and public sectors, the Foundation, in coordination with the PUSD, solicits contributions that go directly from the donor to the PUSD. Such contributions, amounting to approximately \$8,970,000 and \$9,055,000 for the years ended June 30, 2020 and 2019, respectively, are not recorded in the Foundation's financial statements.

AWARDS

Realtor Initiative Recognized With CalSPRA Award

The California Schools Public Relations Association (CalSPRA) presented PEF with an Excellence in Communications Award for the PUSD Realtor Certification Course. The course, which is part of the PEF Realtor Initiative, has been a tremendous success and has now certified more than 65 local realtors and provided them with the tools and information to better serve their clients and their community. PEF's Realtor Initiative is a nationally acclaimed model for connecting local realtors to their public schools. Certification courses are held in partnership with the Pasadena Foothills Association of REALTORS®, PEN, and PUSD.

Principal for a Day Connects Community with our Schools

PEF celebrated our 14th annual Principal for a Day event with 33 extraordinary community members serving as guest principals at each of our unique PUSD campuses. ArtCenter College of Design's Aaron Bruce said of his experience, "What I really took away from today is that we are not developing young people to be the best in Pasadena, we are developing young people to be the best in the world. I was just so impressed by the knowledgebase and critical thinking skills of the students I met with."

PRINCIPAL for a DAY

Annual Teacher Grants Spark Innovation and Creativity

PEF awarded \$200,000 to 169 PUSD teachers and principals enabling them to pursue classroom-enhancing projects in the arts, foreign languages, literacy, STEM, and more. Awards represented 136 unique proposals from every school in the district. Gas Chromatography, iPads for entrepreneurship endeavours, musical instruments, expanded multi-language and Braille libraries, resources give students a clear understanding of public policy, NASA activities, science labs, virtual reality glasses, and makerspaces, are just a few of the diverse and vibrant educational projects that were supported. Grants are made possible with generous support from the College Football Playoff Foundation, Pasadena Tournament of Roses Association, FEDCO Charitable Foundation, California Community Foundation, and individual community donors.

TEACHER GRANTS

CHESS

Celebrating Ray Joiner and the Joy of Chess

What an amazing day! PEF hosted the 2nd Ray Joiner Chess Tournament with over 85 PUSD students—in 2nd through 12th grades—participating in a day celebrating the legacy of Marshall teacher Ray Joiner and the joy of chess. Parents and community members volunteered their time and chess expertise to make this free, day-long event a success. Not only did students master new chess moves, but they learned about planning, flexibility, mistakes, winning, and losing. It was a day filled with fellowship and friendly competition, just as Mr. Joiner would have wanted it to be.

PEF Acts Quickly Creates Response Fund

COVID-19 changed all our lives, especially for students, teachers, and their families since schools moved to distance learning in the spring of 2020. For almost 50 years, PEF has responded to the needs of the PUSD community. This health crisis presented new challenges we never faced before.

In an effort to respond quickly to these unanticipated and urgent needs, PEF established a Response Fund. Priorities for the Response Fund, established in coordination with PUSD leadership are:

- Meals for PUSD students and families
- Technology needs for students and teachers
- 3D Printing Face Shields and PPE

Distributing Meals for Food Insecure Families

MEALS

From day one of school closures, PEF began coordinating the volunteer efforts to distribute Grab & Go curbside meals to PUSD students and families who were struggling financially and facing food insecurity. Over the last four months of our fiscal year, our volunteers served over 662,000 breakfasts and lunches alongside food service staff. Our volunteers logged over 2,000 hours in the rain, sun, and heat to make sure families in our community did not go hungry. Volunteers also distributed learning kits, art materials, sports equipment, and tended to the school gardens.

Innovating to Protect Critical Workers and Volunteers

As news across the globe pronounced a shortage of protective equipment for critical workers, PEF turned to its longstanding 3D printing program to focus on solutions. Staff collected 18 of the 3D printers from various PUSD schools and brought them all to a new 3D Design Workshop at John Muir High School Early College Magnet to create and distribute the 3D printed face shields needed to protect the safety of more than 1,300 food service workers, janitors, health workers, and local hospital staff.

Keeping Schools and Families Connected

Communication between teachers and students and their parents is the key to effective online learning and vital to a student's success. With the transition to distance learning, regular in person communication opportunities were no longer possible. PEF made it possible to keep our schools and families connected and for these important communications to happen by funding technology that allowed teachers to utilize the PUSD phone system to smoothly communicate directly with families and students securely and regularly.

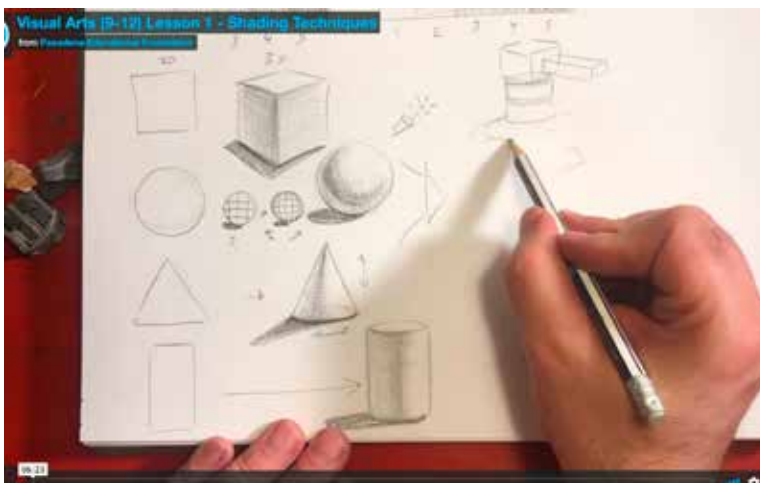

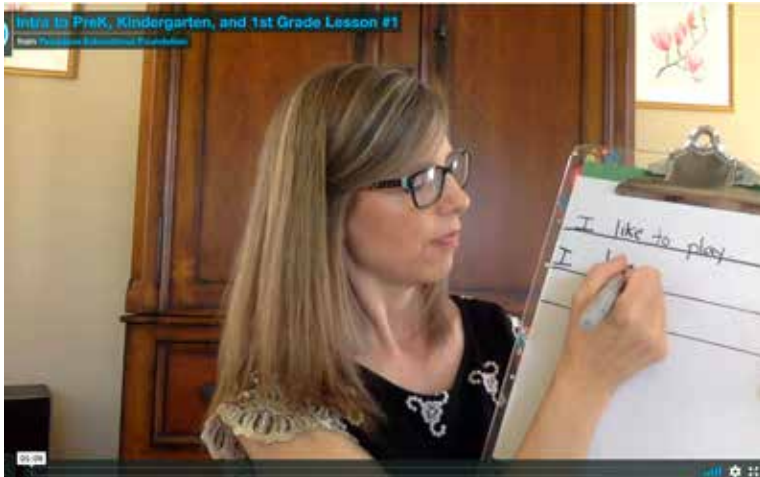

Making College Dreams Come True

While high school graduations definitely looked different this year, one thing remains the same—the amazing talent, spirit, passion, and strength of PUSD'S graduating seniors. Every year, PEF recognizes the achievements, accomplishments, talents, and financial needs of our students through our College Scholarships Program. Some scholarships are specific to a field of study such as STEM or art, needs-based, or for academic achievements. This year students were awarded more than \$50,000.

Summer Enrichment Program At Home Edition

PEF was disappointed to cancel our much-loved, in-person Summer Enrichment program due to the restrictions of the stay-at-home orders but we were able to continue to provide our families with some fun and engaging summer learning opportunities. PEF enlisted the creative talents of our dynamic summer teachers to create 70 fun, short video lessons with a variety of subjects like robotics, cooking, visual art, dance, yoga, and more. Summer video lessons were accompanied by 1,500 free learning kits distributed at the Grab & Go meal sites. Plus, the PEF Summer Program staff scoured the internet to find some great summer activities and learning opportunities to do at home. More than 2,000 students participated in the online summer offerings. Video lessons are available free and can be watched at any time.

**CELEBRATING OUR SCHOOLS
THROUGH OUR**

MISSION

We support, enhance, and supplement the programs, initiatives, and priorities of the Pasadena Unified School District.

WHO WE ARE

At the Pasadena Educational Foundation (PEF) we believe strong schools build strong communities. For almost 50 years, we have been committed to building dynamic community partnerships to support our public schools. Being a vital part of our community enables us to provide essential resources and enrichment opportunities to every public school student in Altadena, Pasadena, and Sierra Madre.

Every day we are inspired by the creativity and innovation we see in our public school classrooms. Whether it be through the arts, music, health centers, gardens, or STEM programs we support, we are creating a better future for our students and for our community.

JOIN YOUR COMMUNITY

There are many meaningful ways for members of our community to join with PEF and support our schools.

GIVE

Donate, honor a teacher, or memorialize another with a gift.

VOLUNTEER

Join a PEF committee, be an ambassador, help at a school.

PARTICIPATE

Attend events, community meetings, and activities.

SPONSOR

Sponsor an event, a program, or grants to teachers.

LEAVE A LEGACY

Leave a permanent mark on our community and a lasting legacy for our schools with a planned gift to PEF.

CONNECT

Be a part of our online community with email updates, on social channels, and help us share the great work that our public schools are doing.
