

## Youth Leader Training

We're excited to have your help mentoring younger students.

**Training will take place both online via our [Summer Youth Leader Center](#) and via an hour-long in-person session.**

**All Youth Leaders should attend their assigned session.** You'll meet your fellow volunteers, be given general instructions, receive helpful tips from those who have served before, and get some special swag. Dress comfortably and bring a bottle of water. We'll have snacks.

### WHEN:

Saturday, June 8, 2024

**Please attend at the time listed for your school site.** *If you serve at Jackson, come at 9:30 AM. Serve at McKinley? Come at 11 AM.* You will meet your fellow youth leaders and get more specific instructions. That's why it's important to attend your correct session.
